#### TREASURER/COLLEGE SPONSORS REPORT:

The report from John Clevenger, Treasurer, is printed on page 8 of the program book. The current balance is \$13,122.42. There were 101 College Sponsors for 1987.

#### MEMBERSHIP REPORT:

Mike Knoll reported that as of Oct. 23, we have 440 individual membership renewals along with 215 new memberships to give a total of 655 members. Due to some confusion, he explained that the membership application form in the newsletter is for new members and should not include a check-off for "renewals" since notices are mailed out. Also, registration forms should identify "new" memberships and "renewals."

#### INDUSTRIAL SPONSORS REPORT:

Elliott Greenberg reported that we have 23 industrial sponsor renewals plus 2 new sponsors to give a total of 25 fully paid industrial sponsors. There were 3 cancellations along with 4 that have not yet responded.

#### POLICIES AND PROCEDURES:

- a. For the Treasurer/College Sponsors position, all but 1 of the ballots were returned. Ballots were opened and counted. Duane Sell was declared the winner.
- b. For the Chair-Elect position, the committee agreed to extend the deadline for applications. The next newsletter will contain an announcement of this extension. Applicants should send their specific qualifications to Edith Bartley by February 20, 1988 and ballots will be mailed out Feb. 24. Ballots are to be returned to Edith by March 5, and will be opened at Sacramento.

- c. Jay Bardole pointed out that we want to make sure that printing and mailing costs of newsletters be kept as a line item in the budget since the chair-person's campus may not be able to pay these expenses during some years. The committee was in agreement on this issue.
- d. Edith Bartley recommends that we consider an increase in membership dues. This topic is to be discussed at future meetings. Jay Bardole pointed out that we must follow ACS guidelines and Bylaws. 2YC<sub>3</sub> funds cannot be used to pay speakers. It was requested that Jim Bradford check on ACS restrictions regarding payment of honorariums and speaker expenses. Ralph suggested that we also consider other alternative methods of funding, perhaps in the form of "sustaining memberships" where corporations would be asked to contribute something like \$500 or \$1000 (at the choice of the contributor) in a manner similar to alumni fund raising. Contributors would be listed in our newsletter. There was also discussion regarding the possibility of including paid advertisements in newsletters. This issue is to be discussed at future meetings.
- e. It was pointed out that we should discuss the possibility of listing "positions available" and "positions wanted" in newsletters.

#### ACS OFFICE OF THE TWO-YEAR COLLEGE REPORT:

Dr. James Bradford expressed great pleasure in being able to announce that the NSF is now accepting proposals from two-year colleges for matching equipment funding. The deadline is Nov. 20, 1987 for applications. Other types of grants are also now open to two-year colleges. It was pointed out that the Committee might consider submitting a proposal for attendance at a particular seminar or workshop. Jay Bardole suggested having a workshop involving the use of NMR's along with NMR Simulator software for computers. Workshop ideas are to be solicited from persons attending this conference.

Jim Bradford also submitted a letter requesting \$2000.00 for publication of the DISTILLATE for 1987. John Clevenger moved that we approve this expenditure. The motion was seconded by Elliott Greenberg, and passed unanimously. It was recommended that next year's budget include "2000.00 for "outreach."

#### OLD BUSINESS:

John Mitchell had submitted to Edith Bartley a letter of resignation as the 2YC<sub>3</sub> liason to the SOCED Task Force on Chemistry in the Two-Year Colleges. He expressed appreciation for having had the opportunity to work with the Task Force. Three names have been submitted to fill this position: Jay Bardole, Dick Gaglione, and Cecil Hammonds. By February 1, 1988, each candidate is to submit to Edith a resume' itemizing specific qualifications for this position. Ballots will be mailed out on Feb. 24 and are to be returned to Edith Bartley by March 5. Ballots will be opened at the Sacramento meeting.

Items regarding conference planning were deferred to later meetings. It was suggested that a portion of the Kansas City, KS meeting be set aside for discussion and presentation of ideas about greater involvement of all Regional Committee members.

ADJOURNMENT: The executive committee was adjourned at 11:25 p.m.

Respectfully submitted,

*Ralph A. Burns*

Petitioners for Amendment of the  
ACS Constitution and/or Bylaws

Dear Petitioner:

Some time ago you signed a petition, entitled "Honoraria for Presentations at Meetings," to amend the ACS Constitution and/or Bylaws. A final report thereon has been prepared by the Committee on Constitution and Bylaws.

The petition was recommitted by Council to the Committee on Meetings and Expositions at the September 10, 1986 meeting in Anaheim. The Committee on M&E agreed, subsequently, to recommend withdrawal of the petition if the Board of Directors, at its December meeting, were to adopt a Regulation that would achieve the objectives proposed by the petitioners. The Board of Directors, at its meeting on December 7, 1986, approved a new subsection (c) Honoraria to Regulation VIII, 3.

The Committee on Constitution and Bylaws concurred with the withdrawal of the petition.

The petition, marked WITHDRAWN, will appear in the Council agenda for the 1987 spring meeting for information only.

Sincerely,

John K. Crum

HONORARIA FOR PRESENTATIONS AT MEETINGS

BYLAW VI, Sec. 5

Petition

We, the undersigned Councilors of the American Chemical Society, petition that Bylaw VI, Sec. 5, be amended by adding a new paragraph, as follows:

BYLAW VI  
Sec. 5

(new paragraph)

7. No honorarium shall be paid, or other similar payment made, by the SOCIETY or any of its constituent units to the author of any paper presented at a national, regional, divisional, or other major meeting of the SOCIETY, except in educational sessions in which a separate fee is charged. Payment to authors for appropriately documented expenses will be permitted. This paragraph shall not apply to an award which is sponsored, cosponsored, or administered by the SOCIETY or any of its constituent units.

Explanation

This petition seeks to amend the Bylaws to prohibit the payment of honoraria or any other payment to those who present "papers," as defined in Bylaw VI, Sec. 5, paragraph 1, at national, regional, and divisional meetings of the Society, as defined in Bylaw VI, Sec. 3, paragraphs 1, 2, and 3. The proposed Bylaw permits travel and other expenses to be reimbursed, and also permits the payment of honoraria for such activities as short courses, workshops, and tutorial sessions for which a separate fee is charged. Specific wording is included to permit award addresses to be presented at meetings of the Society.

(This petition was referred to the Committee on Meetings and Expositions, the Committee on Budget and Finance, the Committee on Divisional Activities, the Committee on Local Section Activities, the Committee on Science, and the Committee on Constitution and Bylaws.)

### STATEMENT OF FINANCIAL IMPACT

The Society Committee on Budget and Finance has examined this petition and makes the finding that it will have no impact on the finances of the Society.

### Final Report of the Committee on Constitution and Bylaws

This petition was recommitted by Council to the Committee on Meetings and Expositions at the September 10, 1986 meeting in Anaheim. The Committee on M&E agreed, subsequently, to recommend withdrawal of the petition if the Board of Directors, at its December meeting, were to adopt a Regulation that would achieve the objectives proposed by the petitioners. The Board of Directors, at its meeting on December 7, 1986, approved a new subsection (c) Honoraria to Regulation VIII, 3.

The petition has been withdrawn at the request of a sufficient number of petitioners to constitute a majority to reduce the number of signatories below that required by the Society's documents.

The Committee on Constitution and Bylaws concurs with the withdrawal of the petition.
