

# 146th 2YC<sub>3</sub> Conference

---

*Division of Chemical Education, Inc.  
American Chemical Society*

Chemistry: Applied to Things Around Us

Bismarck State College  
1500 Edwards Avenue  
Bismarck, ND 58501  
September 18-19, 1998

## COMMITTEE ON CHEMISTRY IN THE TWO-YEAR COLLEGE

Division of Chemical Education, Inc.  
American Chemical Society  
1998 Roster of Committee Members

- Chair** Carol White, Athens Area Technical Institute (2001)  
800 U.S. Highway 29 North, Athens, GA 30610-1500  
Office: (706) 355-5033 Fax: (706) 369-5753  
Home: (706) 769-8341 Email: white@admin1.athens.tec.ga.us
- Immediate Past Chair** Richard Jones, Sinclair Community College (2000)  
444 West Third Street, Dayton, OH 45402-1460  
Office: (937) 512-2322 Fax: (937) 512-5164  
Home: (937) 836-9179 Email: rjones@sinclair.edu
- Chair-Elect** Thomas Gruber, Delgado Community College (2002)  
West Bank Campus, 2600 General Meyer Avenue, New Orleans, LA 70114  
Office: (504) 361-6410 Fax: (504) 361-6411  
Home: (504) 943-5507 Email: TAGruber@aol.com
- Treasurer/  
College Sponsors** Jeffrey Cramer, Stark State College of Technology (2000)  
6200 Frank Avenue, N.W., Canton, OH 44720-7299  
Office: (330) 966-5457 x 377 Fax: (330) 494-0571  
Home: (330) 695-4724 Email: jcramer@stark.cc.oh.us
- Membership  
Chair** Richard Jones, Sinclair Community College (1998)  
444 West Third Street, Dayton, OH 45402-1460  
Office: (937) 512-2322 Fax: (937) 512-5164  
Home: (937) 836-9179 Email: rjones@sinclair.edu
- Industrial  
Sponsors Chair** Michael Lee, Bucks County Community College (1999)  
Swamp Road, Newtown, PA 18940  
Office: (215) 968-8364 Fax: (215) 504-8520  
Email: leem@bucks.edu
- Newsletter Editor** Jay Bardole, Vincennes University (1999)  
1002 N. First Street, Vincennes, IN 47591  
Office: (812) 888-4372 Fax: (812) 888-4540  
Home: (812) 882-5272 Email: jbardole@vunet.vinu.edu
- Past Chairs  
(Members of  
COCTYC)** John Kenkel, Southeast Community College (1999)  
8800 O Street, Lincoln, NE 68520  
Office: (402) 437-2458 Fax: (402) 437-2404  
Home: (402) 477-8779 Email: jvkenkel@sccm.cc.ne.us
- Ann Cartwright, San Jacinto College Central (1998)  
8060 Spencer Highway, Pasadena, TX 77501-2007  
Office: (281) 476-1882 Fax: (281) 478-2757  
Home: (713) 669-8705 Email: acartw@central.sjcd.cc.tx.us
- Other Past Chairs** Wendell Massey, David Klein, Margo Schumm, Ed Heath (deceased), Elliot Greenberg, John Clevenger, Ralph Burns, Edith Bartley, Onofrio Gaglione, Jay Bardole, Marion Baker, Tamar Y. Susskind, Douglas Bond, Katherine Weissmann, Paul Santiago, John P. Mitchell, William Griffin, Curtis Dhonau, Douglas Bauer (deceased), Cecil Hammonds, Ethelreda Laughlin, William T. Mooney, Jr.

**145<sup>th</sup> TWO-YEAR COLLEGE CHEMISTRY CONFERENCE  
BUSINESS MEETING  
BISMARCK STATE COLLEGE  
BISMARCK, ND  
September 18, 1998**

**AGENDA**

**Note: This meeting is an open meeting. All persons attending the conference are encouraged to attend.**

**I. INTRODUCTIONS**

- A. Officers and Past Chairs
- B. Self-introduction of Advisory Board Members and others present

**II. MINUTES FROM THE 144<sup>th</sup> CONFERENCE,**

**Tarrant County Junior College, Northeast Campus**

- A. Advisory Board Approval page 2
- B. COCTYC Information page 6

**III. REPORTS**

- A. Oral Report: 2YC<sub>3</sub> Tarrant County Junior College, March 27, 1998  
Tom Gruber
- B. Treasurer, Jeff Cramer page 13
- C. College Sponsors, Jeff Cramer page 15
- D. Membership, Dick Jones page 36
- E. Industrial Sponsors, Michaelleen Lee page 39
- F. Future Meeting Sites, John Kenkel page 40
- G. Editor, Web Master, Jay Bardole
- H. DivCHED, Ann Cartwright

**IV. ANNOUNCEMENTS AND NEW BUSINESS**

- A. 15<sup>th</sup> Biennial, Uni Susskind
- B. 16<sup>th</sup> Biennial, Dick Jones
- C. *Journal of Chemical Education*, Ann Cartwright
- D. Other

**V. INTRODUCTION OF NEW ARRIVALS**

**VI. ADJOURNMENT**

**145<sup>th</sup> TWO-YEAR COLLEGE CHEMISTRY CONFERENCE  
COCTYC MEETING  
BISMARCK STATE COLLEGE  
BISMARCK, ND  
September 19, 1998  
AGENDA**

**I. ADDITIONS/DELETIONS TO AGENDA**

**II. APPROVAL OF MINUTES, 144<sup>th</sup> CONFERENCE**

**III. REPORTS**

- A. Bismarck State College, Frank Koch
- B. Personnel Matters, Carol
- C. Future Sites, John
- D. 15<sup>th</sup> Biennial, Uni,
- E. 16<sup>th</sup> Biennial, Dick
- F. Budget, Jeff
- G. College Sponsors, Jeff
- H. Membership, Dick
- I. Industrial Sponsors, Michaelleen
- J. Editor's Report, Jay
- K. DivCHED, Ann
- L. *Journal of Chemical Education*, Ann

**IV. OLD BUSINESS**

- A. Newsletter Income Statement Form, Jeff
- B. 2YC<sub>3</sub> URL, Jay
- C. Regional Advisory Board Members, Carol
- D. Selling/giving 2YC<sub>3</sub> Membership Lists
- E. Financial Audit, Jeff
- F. Newsletter on the Internet, Jay
- G. Contacts for Industrial Sponsors, Michaelleen

**V. NEW BUSINESS**

- A. By-Laws Revisions
- B. Other

**VI. ADJOURNMENT**

**144<sup>TH</sup> Two-Year College Chemistry Conference**  
**General Membership Meeting**  
Tarrant County Junior College  
Northeast Campus, Hurst, TX  
March 27, 1998

This meeting was called to order by Carol White at 9:05 A.M.

### **I. Introductions**

The following were present and introduced themselves:

COCTYC Members: Carol White, Chair; Tom Gruber, Chair-elect; Dick Jones, Immediate Past Chair/Membership Chair; John Kenkel, Past Chair; Ann Cartwright, Past Chair; Jeff Cramer, Treasurer/College Sponsors; Michaelleen Lee, Industrial Sponsors Chair; Jay Bardole, Newsletter Editor. Past Chairs of 2YC<sub>3</sub>: Wendell Massey, David Klein, Ralph Burns, Edith Bartley, Onofrio Gaglione, and Uni Susskind. Other attendees introduced themselves and stated their school affiliation.

### **II. Minutes from the 143<sup>RD</sup> Conference, Central Community College**

The minutes of the 143<sup>rd</sup> Conference are on page 2 of the 144<sup>th</sup> Agenda Book. The minutes were approved as written.

Carol White explained that 2YC<sub>3</sub> stands for The **Two-Year College Chemistry Consortium** and is the organization run by the executive committee of the **Committee on Chemistry in the Two-Year College, COCTYC**, a committee of the Division of Chemical Education of the American Chemical Society. The mission of 2YC<sub>3</sub> is to conduct four conferences annually. This is the 144<sup>th</sup> 2YC<sub>3</sub> Conference. Carol pointed out that information about COCTYC members can be found on the front cover of the Newsletter and on the front page of the Agenda Book. Chair Emeriti are listed on page 49.

### **III. Reports**

#### **A. Hastings Conference, November 14-15, 1997**

Tom Gruber presented the report on the Central Community College meeting that was held on November 14-15, 1997. He stated that the theme of the conference was "Chemistry in the Heartland." The conference was well attended. The conference program contained many presentations that emphasized industrial chemical applications such as, "Remediation of Contaminated Groundwater Supplies," "Chemistry of Food Preservation," "Soil Analysis: An Application of Chemistry," "Science of an Agricultural Testing Laboratory," and "Chemistry of Ethanol Production." Topics in Chemical Education included "Uses and Abuses of Multimedia in the College Classroom" and a session on "K-12 Classroom Science Activities." The program also included a choice of tours of industrial sites near the college campus. The banquet speaker was Dr. Jim Dugan who gave an entertaining presentation entitled "AURORA: Nature's Fantastic Light."

## **B. Treasurer's Report**

Jeff Cramer presented the budget report which is printed on page 11 of the 144<sup>th</sup> Agenda Book and stated that the finances for 1997 showed a positive net balance because the organization drew upon its reserves to meet expenses. The financial budget for 1998 is in order and barring a drastic change in membership, college sponsors, etc., the organization should be able to meet its expenses for 1998.

## **C. College Sponsor's Report**

Jeff also reported the list of College Sponsors which begins on page 12 of the Agenda Book. The report shows 129 sponsors but there should be 130 sponsors listed for 1997. He encouraged everyone whose college was not already a sponsor to become one. The College Sponsor form is on page 34 of the Agenda Book. He also requested that those present check the information on their college and let him know of any needed corrections.

## **D. Membership**

Dick Jones pointed out the membership report on page 35 of the Agenda Book. As of March 2, there are 218 renewals. He also noted that seventy-one members have taken the advantage of the opportunity to join both the Division of Chemical Education and 2YC<sub>3</sub>. He mentioned that this offer is for members of 2YC<sub>3</sub> that are not members of the Division of Chemical Education. A form on page 4 of the current newsletter can be used to take advantage of this offer.

## **E. Industrial Sponsors**

Michaeleen Lee reported that there are 19 Industrial Sponsors as shown on page 39 of the Agenda Book. She encouraged everyone to help recruit new Sponsors among companies and businesses with whom they do business. It is important to approach marketing managers especially with regard to publishing companies. She suggested that you start with your local rep and work up the chain of command to the marketing manager.

## **F. Future Meeting Sites**

John Kenkel reported on future sites. The conference calendar for the next several years can be found on page 40 with more detailed information about each conference on the pages that follow. John asked that the following changes and additions be made to those pages.

152<sup>nd</sup> Conference, March 24-25, 2000, San Francisco area, the site to be determined  
The ACS has changed its meeting site from Las Vegas to San Francisco.  
(ACS - San Francisco, March 26-31, 2000)

154<sup>th</sup> Conference, Early Fall 2000, Hudson Valley Community College, Troy, N.Y.

155<sup>th</sup> Conference, Late Fall 2000, Southern, TBA - Site needed

156<sup>th</sup> Conference, March 30-31, 2001, San Diego, CA - site TBA  
(ACS - San Diego, April 1-6, 2001)

157<sup>th</sup> Conference, 2001, University of Cincinnati, College of Technology,  
Cincinnati, OH

158<sup>th</sup> Conference, 2001, Anoka-Ramsey Community College, Coon Rapids, MN

159<sup>th</sup> Conference, 2001, Community College of Southern Nevada, Las Vegas, NV  
160<sup>th</sup> Conference, March 30-31, 2002, Orlando, FL  
(ACS - Orlando, April 1-6, 2002)

John reminded everyone that the next conference will be the 15<sup>th</sup> Biennial Conference on Chemical Education to be held in Waterloo, Canada, August 9-13, 1998.

#### **G. Newsletter/Web Page**

Jay Bardole encouraged everyone to visit the 2YC<sub>3</sub> web site and to take advantage of the links and services it offers. The address is listed in the Newsletter. Jay invited those present to send to him materials that they would like to see in the newsletter. The deadline for the next issue is April 1.

#### **H. DivCHED**

Ann Cartwright reported on DivCHED activities. Ann stated that she is 2YC<sub>3</sub>'s liaison to DivCHED. She explained how the role of liaison came to be and how her efforts in this role and the efforts of others such as Uni Susskind, who chairs the Personnel and Nominations Committee of DivCHED, have made it easier for two-year college members to become involved in DivCHED activities. She urged all 2YC<sub>3</sub> members that are not members of DivCHED to become either full or affiliate members of the Division. She reminded everyone that affiliate members do have voting privileges.

### **IV. Announcements and New Business**

#### **A. 15<sup>th</sup> Biennial**

Uni Susskind, 2YC<sub>3</sub>'s contact with the 15<sup>th</sup> Biennial, reported that registration materials are ready. She stated that many 2YC<sub>3</sub> people are involved in the Biennial and cited John Kenkel's symposium and Ann Cartwright's poster session as examples. She pointed out that 2YC<sub>3</sub> is a co-sponsor of an ice cream social scheduled for Monday night and will share a booth with C<sub>3</sub>. She encouraged as many two-year people as possible to attend this event.

#### **B. Journal of Chemical Education**

Ann Cartwright reminded everyone about the 2YC<sub>3</sub> column found in the *Journal of Chemical Education*. She explained that the column in the *Journal* was resumed at the invitation of John and Betty Moore who are Editor and Associate Editor. Many prominent chemical educators have written articles of this column. President Clinton's remarks concerning the role of the community college in America's future, which were made in a visit to Houston, were published under the 2YC<sub>3</sub> banner. Ann mentioned that the *Journal* is going on-line and that many special deals are being offered to subscribers. Also, the editors of the *Journal* are attempting to increase the list of reviewers to 3000 in an attempt to shorten the time between submission and subsequent publication of a paper. People interested in doing such work should obtain an application from Ann.

**C. Other**

Carol White mentioned that the revised Guidelines for Chemistry in Two-Year Colleges is available. Everyone should have a copy. The document covers both academic and technical programs in chemistry. If you do not have a copy, contact ACS.

Carol also announced that Dick Jones has been selected to be the Two-Year Program Chair for the 16<sup>th</sup> Biennial to be held in Ann Arbor, Michigan in the summer of 2000.

**IV. Introduction of late arrivals - No late arrivals**

**V. Adjournment**

The meeting was adjourned at 9:51 A.M.

Respectfully submitted, Tom Gruber, Chair-elect

**144<sup>th</sup> Two-Year College Chemistry Conference**  
**COCTYC Meeting**  
**Tarrant County Junior College**  
**Northeast Campus, Hurst, TX**  
**March 26, 1998**

**Attendance**

**Members:** Jay Bardole, Ann Cartwright, Jeff Cramer, Tom Gruber, Dick Jones, John Kenkel, Michaelleen Lee, Carol White

**Guests:** Edith Bartley, Sonja Davison, Onofrio Gaglione, Dave Klein, Paul O'Brien, Uni Susskind

**Call to Order**

The meeting was called to order at 7:07 P.M. by Carol White at the Super 8 Motel

**I. Additions/Deletions to Agenda**

The following additions were made to the agenda:

Section V D. Dick's appointment as Two-Year College Program Chair for the 16<sup>th</sup> Biennial.

Section V E. Names of 2YC<sub>3</sub> members for committee work in DivCHED

**II. Approval of Minutes, 143<sup>RD</sup> Conference**

The minutes of the 143<sup>rd</sup> Conference held at Central Community College are on page 4 of the 144<sup>th</sup> Agenda book. A motion was made by Jay, seconded by Dick to approve the minutes as written. The motion passed.

**III. REPORTS**

**A. Tarrant County College Conference**

Sonja Davison of Tarrant County College, Northeast campus appeared before the committee and declared that the 144<sup>th</sup> Conference was ready to go. As of March 26, 1998, there were 56 people preregistered. Five or six exhibitors indicated that they would be present. She stated that there will be one change of a speaker in the program as printed in the newsletter and that corrections to the program have been made in the registration packet materials to reflect this. Sonja reminded everyone that the banquet will be held at the Omni Theater in Forth Worth. The banquet is scheduled for 6:30 P.M. with the viewing of the Omni presentation scheduled for 8:30 P.M. Transportation for those needing it will be available. Maps will be available for those having their own cars. She stated that signs have been strategically placed about the campus in order to help participants find their way about the Conference site. Sonja cited Shelly Bingham for her help in the planning of the Conference. After her presentation, Sonja left the meeting.

## B. Personnel Matters

Carol reported that she has received no response to the postings in the Newsletter regarding the positions of Chair-elect 2000 and Membership Chair. Some present indicated that Carol may have to actively seek people interested in the positions. Carol asked that suggestions concerning possible candidates be forwarded to her. The postings will appear in the next Newsletter. An application deadline for both positions is September 1, 1998. Elections are scheduled to take place later in the Fall. Dick stated that the response in the recent election was very good.

## C. Future Sites

John was not present for the beginning of the meeting. His report was given after the College Sponsors report.

John reported that the conference calendar appears solid through 1999. He mentioned the inexperience of the chairs of the 150<sup>th</sup> and 151<sup>st</sup> Conferences. **Tom will closely monitor the progress of the 150<sup>th</sup> and 151<sup>st</sup> Conferences and offer any help and encouragement that might be needed by those chairs.**

Details of the 145<sup>th</sup>, 146<sup>th</sup>, 147<sup>th</sup>, 148<sup>th</sup>, 149<sup>th</sup>, 150<sup>th</sup>, 151<sup>st</sup>, and 153<sup>rd</sup> Conferences can be found in the 144<sup>th</sup> Agenda book starting on page 41. According to John, the most pressing problem is the securing of a site for the 152<sup>nd</sup> Conference. This Conference was originally scheduled for March 24-25, 2000, in Las Vegas. Las Vegas was to be the site of the ACS National Meeting. The ACS has moved its meeting to San Francisco, hence the need for the changing of the site of the 152<sup>nd</sup> Conference to San Francisco. John has e-mailed some people in the San Francisco area about being the host institution. Paul O'Brien will ask people in that area and get back to John. John asked that others should also forward names to him. Jay expressed concern that the past few western conferences have been held in California. He wondered what could be done about that.

John asked that the Committee give consideration to the following slate of Conference sites:

- 154<sup>th</sup> Conference, Early Fall 2000, Hudson Valley Community College, Troy, N.Y.
- 157<sup>th</sup> Conference, 2001, University of Cincinnati, College of Technology, Cincinnati, OH
- 158<sup>th</sup> Conference, 2001, Anoka-Ramsey Community College, Coon Rapids, MN
- 159<sup>th</sup> Conference, 2001, Community College of Southern Nevada, Las Vegas, NV

**A motion was made by Tom, seconded by Ann that the Committee adopts the above slate of sites as the official sites of the 154<sup>th</sup>, 157<sup>th</sup>, 158<sup>th</sup>, and 159<sup>th</sup> Conferences respectively. The motion passed.**

John reported that he is actively seeking sites for the following conferences:

- 152<sup>nd</sup> Conference as detailed above.
- 155<sup>th</sup> Conference, Late Fall 2000, Southern Region
- 156<sup>th</sup> Conference, March 30-31, 2001, San Diego, CA

Any ideas should be forwarded to John. **Dave will approach C<sub>3</sub> about the 157<sup>th</sup> or 158<sup>th</sup> Conference being held as a joint meeting.**

#### D. 15<sup>th</sup> Biennial

Uni informed the group that the registration materials for the Biennial are ready. She distributed copies to those present. Concerning the ice cream social, she informed those present that she was not made aware of any co-sponsorship during her discussions with the group running the Biennial. She was surprised when Carol informed her of this arrangement. Uni had also been asked by the group in charge that 2YC<sub>3</sub> pay for their booth at the Conference. It is Uni's understanding that the Biennial Committee has since decided that we should not be charged for a booth.

Carol pointed out that the original motion passed by COCTYC was for the sponsorship of the ice cream social and not a co-sponsorship of this activity. This change in a venue has not been voted on by COCTYC. **Carol will contact the appropriate parties handling the Biennial and express her discomfort as to how this matter has been handled.**

Concerning the materials to be exhibited at the booth, it was decided by those present that the following should be displayed: copies of old newsletters, 2YC<sub>3</sub> magnets, 2YC<sub>3</sub> brochures, membership applications for 2YC<sub>3</sub>, and information about summer programs available to two-year people, and possibly stamp pins. Dick stated that we should get signs from the Waterloo group because of our sponsorship. **Uni will check on the signs.** Concerning the magnets, **Carol will send information to Uni concerning the magnets. Uni should have the manufacturer bill Jeff for the magnets.** Concerning the stamp pins, **John will determine how many pins he has and inform Dick of the number. Dick will check with the manufacturer of the pins about costs. A decision about selling the pins will be made by e-mail.** Concerning the newsletters, **Jay will check with Sonja about any copies left over.** Concerning the 2YC<sub>3</sub> banner, **Sonja will send Uni the banner.** Concerning the brochures, Dick said that we may have enough. **Dick will check on the brochures. Dick will also secure the needed summer program handouts.** Concerning the sponsorship fees, **Jeff will send a check to the proper persons at Waterloo.**

#### E. Budget

Jeff presented the 1998 budget to the committee. In an effort to have projected expenses come closer to projected revenues, this budget has been modified in comparison to the one presented at Hastings. He pointed out that some travel dollars will be less and that conference mentoring and training expenses have been cut. Also, only three sites needed seed money instead of four. He eliminated the \$600 travel expense for the C<sub>3</sub> and DivCHED liaisons.

On the income side, the figures were based on a projection of 700 members, 20 industrial sponsors, and 120 college sponsors. The group has \$10,000 in reserve. He pointed out that even with these cuts, expenses exceed income.

A discussion of the proposed budget ensued. Dick mentioned how at one time COCTYC was banking money. This was a concern (IRS). In an effort to reduce the reserves, the COCTYC has put more money into the meetings and obtained an editor for the Newsletter. He stated that the time is fast approaching where adjustments in expenses and income will have to be made. The reserves are

running out. He believes that the Newsletter is needed. He went on to mention one adjustment proposed by Tom at the Hastings meeting, that the seed money should not be considered by conference planners as their money. If, when and how to implement this concept should at some point be discussed by the committee. Ann pointed out that letters have been sent out promising \$1000 with no mention of payback. John said that this commitment of funds to the various sites extends through 2000. He has not mentioned money in any correspondence beyond those dates. Carol stated that as hard as it is to do, the institution of a registration fee is an idea to be considered. When could this start? Jay pointed out that this would require a change in the bylaws of the organization. **Carol will appoint a committee to study the seed money problem and the process to be used in changing the bylaws.** Carol appointed herself and Jay to look into the above. Ann, Dick, and David made an argument for the returning the funds for the C<sub>3</sub> and DivCHED liaisons to the 1998 budget. Since a commitment has been made to these positions for 1998, if these funds are to be removed, the 1999 budget would be the proper time to do it. **Carol will put the discussion of the C<sub>3</sub> and DivCHED liaisons on the next agenda.**

**A motion was made by Dick and seconded by Jay that the proposed 1998 budget is amended to include \$600 expenses each for both the C<sub>3</sub> and DivCHED liaisons and that the committee accept the 1998 budget as amended. The motion passed.**

#### **F. College Sponsors**

Jeff reported that there are currently 129 college sponsors with one additional sponsor to be added to the list. Things look good for 130+ sponsors for 1998. He asked for Dick's help in getting copies of the newsletter to sponsors. Jay indicated that this should be a sub list of the mailing list. **Dick will do his best to supply such a list for mailing.** Uni asked about upgrading the information. She cited the many changes in area codes as one reason why this should be done. Jeff also announced that 14 schools are eligible for 25 year sponsorship awards.

#### **G. Membership**

Dick reported there are 218 members as of March 2, 1998. This is about where we should be. We are on target for 600-700 members. He reported that 71 members took advantage of the dual membership being offered in 2YC<sub>3</sub> and DivCHED. **Jeff will send Dick a check for 71@ \$12.50 for dues owed to DivCHED.** Dick also asked that we check the membership listings of the Regional Advisory Boards and add the year 2000 behind the newest members.

#### **H. Industrial Sponsors**

Michaeleen reported that things are looking up. Monies owed are being collected. She has sent letters to sponsors on the old lists. She indicated that Wiley will be back as a sponsor. **John will communicate with CRC Press.** Mosby will no longer be publishing chemistry books. We're on track to match and possibly surpass last year's number of sponsors which was 19.

### **I. Editor's Report**

Jay announced that April 1 is the deadline for the next Newsletter. **Uni and Jay will work together as to what to do for the Biennial.** The Newsletter will publish a guest editorial by Sr. Mary Virginia Orna, Chair of the Division of Chemical Education. Jay informed John that things of interest should be sent to Jay by the end of the Spring semester. Uni suggested that the Newsletter be given a new look. Jay responded that a Graphic Arts Class at his school might possibly be interested in taking on that task. Paul O'Brien suggested that regional correspondents may be the way to go in securing more information for the Newsletter.

### **J. DivCHED**

Ann reemphasized the importance of the DivCHED liaison position. She mentioned that the luncheon for the high school and college teachers scheduled for Monday, needed more college people. Also, after two years as the editor of the 2YC<sub>3</sub> column in the *Journal of Chemical Education*, she's running out of angles. She would welcome any suggestions. She thanked members of the committee who responded to her plea for posters for the poster session at the Biennial. There should be 22-23 presentations. There is also a need for more reviewers for the *Journal*. The editors are attempting to increase the number of reviewers from 900 to approximately 3000. Interested parties should get an application from her.

## **IV. OLD BUSINESS**

### **A. Industrial Sponsors Form**

Michaeleen corrected the misconception that the new form that she sent to Tom was a Sponsors Form but is in reality an Exhibit Request Form to be used when a sponsor wants to exhibit at only one conference.

### **B. Planning Guide Printing**

Tom reported that he did not have new guides printed when he was informed that John had recently printed up some copies. Tom gave John the copies of the new forms sent to him by Michaeleen. The Committee agreed with John that the responsibility of getting new guides printed should be that of the person responsible for securing future sites. This will help to avoid confusion in the future. **John will add the new forms concerning Industrial Sponsors to the Planning Guide when he has more guides printed.**

### **C. Newsletter Income Statement Form**

Jeff stated that he is in the process of getting this form together.

### **D. 2YC<sub>3</sub> URL**

**Jay will contact program chairs of the various conferences to secure abstracts that can be placed on the web page.** This would help people who can't attend a conference contact a presenter if they are interested in the speaker's topic. He would like to have links to all of our industrial sponsors on the web site. He would like to add some new material to the site and count the activity that it generates. Eventually, the Newsletter could possibly be done totally on the site

with postcard reminders being mailed to the membership.

**E. Regional Advisory Board Members**

Dick reported that one of his last duties as chair was to appoint new members to the Regional Advisory Boards. The 144<sup>th</sup> Agenda Book has those new members listed. He once again asked that the year 2000 be added after the names of these new members. He also asked that the Committee think of ways to use this valuable pool of talent in making 2YC<sub>3</sub> a better organization.

**F. Selling/giving 2YC<sub>3</sub> Membership Lists**

Dick mentioned that in the past the membership list has been given to professional organizations. Ann pointed out the advantage of renting the list on a one time use basis.

**V. New Business**

**A. Contacts for Industrial Sponsors**

Michaeleen reported that one new sponsor is on board, Analytical Instrument Brokers of Plymouth, MN.

**B. Newsletter on the Internet**

John asked as to how we can go about putting the Newsletter on the Internet. Jay indicated that we presently have that capability. John stated his concern that not all members are on-line. Dick expressed the opinion that we should at least begin experimenting. Jay suggested that we should try for the Biennial. **Jay will put the Newsletter concerning the Biennial on the web site.**

**C. Financial Audit**

Jeff referred the parties present to page 6 of the 144<sup>th</sup> Agenda Book where the minutes from the last COCTYC meeting contain the discussion of financial auditing are recorded. He pointed out that a yearly report is sent to DivCHED. The following question should be resolved by the members of COCTYC. Do the members of COCTYC want a more formal yearly audit? Or do we want to have an audit only when the treasurer is changed?

**D. Two-Year Program Chair for the 16<sup>th</sup> Biennial**

Prior to this meeting, Dick was asked if he would serve as the Two-Year College Program Chair and he agreed to do so. **By means of e-mail a motion was made by Jeff and seconded by John that Dick should be appointed as Two-Year Program Chair for the 16<sup>th</sup> Biennial. The motion passed by an e-mail vote of the Committee.**

**E. Possible DivCHED Committee Appointments**

Carol reported that the Division of Chemical Education is currently seeking nominations of two-year people for task force work in the areas of hospitality, data base development, and for membership on the Committee on Committees. If you know of anyone that may be interested send their names to Dick Gaglione.

## **VI. Adjournment**

**A motion was made by Jeff, seconded by John to adjourn the meeting. The motion passed. The meeting adjourned at 9:52 P.M.**

Respectfully submitted, Tom Gruber, Chair-elect

### **Action Items**

- 1. Tom will closely monitor the progress of the 150<sup>th</sup> and 151<sup>st</sup> Conferences and offer any help and encouragement that might be needed by those chairs.**
- 2. Dave will approach C<sub>3</sub> about the 157<sup>th</sup> or 158<sup>th</sup> Conference being held as a joint meeting.**
- 3. Carol will contact the appropriate parties handling the Biennial and express her discomfort as to how the ice cream social/ booth matter has been handled.**
- 4. Uni will check on the signs for the Biennial.**
- 5. Carol will send information to Uni concerning the magnets for the Biennial booth. Uni should have the manufacturer bill Jeff for the magnets.**
- 6. John will determine how many pins he has and inform Dick of the number.**
- 7. Dick will check with the manufacturer of the pins about costs. A decision about selling the pins will be made by e-mail.**
- 8. Jay will check with Sonja about any copies of the Newsletter left over. The Newsletters are to be used as giveaways at the 2YC<sub>3</sub> booth at the Biennial.**
- 9. Sonja will send Uni the 2YC<sub>3</sub> banner.**
- 10. Dick will check on the 2YC<sub>3</sub> brochures.**
- 11. Dick will also secure the needed 2YC<sub>3</sub> summer program handouts.**
- 12. Jeff will send a check to the proper persons at Waterloo.**
- 13. Carol will appoint a committee to study the seed money problem and the process to be used in changing the bylaws. Carol appointed herself and Jay to look into the above.**
- 14. Carol will put the discussion of the C<sub>3</sub> and DivCHED liaisons on the next agenda.**
- 15. Dick will do his best to supply Jay with an updated list of college sponsors for mailing out the newsletter.**
- 16. Jeff will send Dick a check for 71@ \$12.50 for dues owed to DivCHED.**
- 17. John will communicate with CRC Press about their Industrial Sponsorship.**
- 18. Uni and Jay will work together deciding what to do about the Biennial Newsletter.**
- 19. John will add the new forms concerning Industrial Sponsors to the Planning Guide when he has more guides printed.**
- 20. Jay will contact program chairs of the various conferences to secure abstracts that can be placed on the web page.**
- 21. Jay will put the Newsletter concerning the Biennial on the web site.**

### **Motions**

- 1. The minutes of the 143<sup>rd</sup> Conference COCTYC meeting were approved.**
- 2. Sites for the 154<sup>th</sup>, 157<sup>th</sup>, 158<sup>th</sup>, and 159<sup>th</sup> Conferences were approved.**
- 3. An amended 1998 budget was approved.**
- 4. Dick Jones was appointed the Two-Year College Program Chair for the 16<sup>th</sup> Biennial.**

**COCTYC:**

Committee on Chemistry in the Two Year College  
 Division of Chemical Education  
 American Chemical Society

**1998 Proposed Budget of Income and Expenses**

For The Period: 1 Jan 98 to 31 Dec 98

Income		Amount	% of Total
<b>Operating</b>			
	DivCHED	2000.00	10.5
	Membership Dues 700* \$15	10500.00	55.0

Please send your \$25 check payable to COCTYC or 2YC<sub>3</sub> and the completed application to Jeff Cramer at the above address.

2YC<sub>3</sub> is a tax-exempt organization, Tax I.D. number 23-7169683

# **144th 2YC<sub>3</sub>**

## **Membership Report**

**Renewals to Date: 218**

Seventy-one 2YC<sub>3</sub> members have taken advantage of the opportunity to join both the Division of Chemical Education and 2YC<sub>3</sub>. This offer is for members of 2YC<sub>3</sub> who are not members of the Division of Chemical Education.

Submitted by Richard F. Jones  
March 2, 1998

# SUMMER INSTRUMENTATION INSTITUTE 1998

2YC<sub>3</sub> and a coalition of 2-year and 4-year colleges have received funding from NSF for the Instrumentation Workshops. Workshops on FTIR, PC-Software, and GC/MS and GC/HPLC will be at George Mason University (Fairfax, VA) June 14-19, 1998, and PC Interfacing, PC Software/Molecular Modeling and Environmental Chemistry will be at Western Washington University (Bellingham, WA) July 26-31, 1998. Applicants will be accepted on a "rolling admissions" basis.

For additional information contact Richard Jones at Sinclair Community College, Dayton, OH 45402-1460; voice mail: (937) 512-2322; fax (937) 512-5164; and email - [rjones@sinclair.edu](mailto:rjones@sinclair.edu).

**George Mason University, Fairfax University**  
**June 14-19, 1998**

## **PC SOFTWARE**

Explore the use of PC software to supplement and enhance coursework in chemistry. Survey the various types of tools available, including spreadsheets, presentation graphics, molecular modeling and drawing, simulations and the Internet. Become familiar with the capabilities of such tools through tutorials and extensive hands-on use in typical, chemistry-related applications.

*Faculty: Stephen L. Davis, Ph.D.*

## **INFRARED (FTIR)**

The basic principles of FT-IR are covered with discussion on the instrumentation, application and advantages over dispersive IR. Faculty obtain extensive spectrometer experience with hands-on practice in qualitative analysis of organic compounds and choices of experiments in general and inorganic chemistry depending on individual needs. Computerized data manipulations of the taken spectra will be covered. Additionally, reviews of the many IR databases, teaching videos and search routines that are available will be presented.

*Faculty: Wayne Stalick, Ph.D.*

## **CHROMATOGRAPHY (GC, GC/MS and HPLC)**

Experience high-resolution GC and GC/MS separations, and normal-phase, reverse-phase, and steric exclusion HPLC.

Topics include basic theory of chromatography, GC and HPLC applications, and GC/MS operation. Hands-on practice with GC, GC/MS and HPLC instrumentation in qualitative and quantitative analysis will be emphasized.

*Faculty: Gregory D. Foster, Ph.D.*

**Western Washington University, Bellingham, WA**  
**July 26-31, 1998**

## **NSF COMPUTER INTERFACE WORKSHOP**

This workshop will focus on integration of computers into chemistry laboratory instruction using a commercially available interface (LabWorks). This easy-to-use integrated software/hardware package permits students to design experiments, rapidly collect experimental data, and use a spreadsheet to look for generalizations and mathematical relationships. No programming experience is necessary. Most experiments will be drawn from the freshman chemistry program, although participants will be encouraged to develop experiments for the courses they teach.

*Faculty: Don M. King, Ph.D. and John A. Weyh, Ph.D.*

## **PC SOFTWARE/MOLECULAR MODELING**

Chemistry software will be the emphasis of this workshop. Participants will use molecular modeling software to calculate molecular geometries and properties, and to display molecules and orbitals. SPARTAN, HyperChem and Alchemy III will be available in a networked lab with 5 SGI and 21 IBM-486 computers. Other chemistry tools such as Excel, Isis Draw, Origin-3D, NMR processing and simulation, and a wide variety of instructional and tutorial software will be available. Laser disc, CD-ROM, and software materials will be available in a network- and internet-connected, multi-media classroom adjacent to the computer lab.

*Faculty: Donald Pavia, Ph.D.*

## **ENVIRONMENTAL CHEMISTRY**

This workshop takes a problem-based approach to the identification of environmental contaminants and develops the methodology needed for integrating appropriate environmental experiments in the general chemistry curriculum. Participants will be provided with data and information from an "environmental incident" involving a chemically contaminated site. Using actual environmental samples, participants will develop strategies necessary to define the extent of contamination and will propose a response strategy based upon their findings. Emphasis will be placed upon the development of appropriate methods using GC, GC/MS, and LC systems.

*Faculty: Devon Cancilla, Ph.D.*

## SUMMER INSTRUMENTATION INSTITUTE 1998

Sponsored by Sinclair Community College, Dayton, Ohio

Funded by the National Science Foundation

Locations: George Mason University  
Western Washington University

The National Science Foundation (NSF) has funded a consortium of 2YC<sub>3</sub>, three, two-year colleges and three, four-year colleges to offer a series of instrumentation workshops during the summers of 1998 and 1999. The primary purposes of the grant are to improve the knowledge of two-year college chemistry faculty in modern instrumentation and improve the competitiveness of two-year faculty in preparing NSF Improvement Laboratory Instruction (ILI) proposals. This project is a continuation and an expansion of an earlier project of 2YC<sub>3</sub>, Sinclair Community College and the University of Dayton.

Two-year college participants will study the theory, applications and maintenance of an instrument in an intensive, hands-on, week-long workshop. The number of participants in each workshop is 6. Included will be a workshop on writing NSF ILI proposals. The workshops will be held at two sites: George Mason University in Virginia with Northern Virginia Community College and Western Washington University in Washington with Shoreline Community College. Each site will conduct the workshops at a different time and with unique instrumentation workshops.

## GENERAL INFORMATION

Laboratory sessions will be held in the instructional labs of the various colleges. Participants attend one instrumentation workshop, and should indicate workshop preference on the registration form. Participants will also tour the state-of-the-art facilities at those institutions.

### *Travel, Housing and Meals*

Information on accommodations, the daily schedule and special tours and events will be sent with confirmation of registration. Invited participants will receive additional information concerning the specific workshop they will be attending.

## REQUIREMENTS

The Summer Instrument Institute is open to all two-year college chemistry teachers who:

- Have at least five years of teaching experience in two-year college chemistry instruction
- Are responsible for at least one of the freshman general chemistry courses or sophomore courses offered at their campus
- Agree to participate in the entire one-week institute
- Hold at least a master's degree in chemistry or closely related field
- Have experience in using chemical instrumentation

An attempt will be made to include two-year faculty from each geographic region of the country. Women and minority faculty members are especially invited to apply. The tuition, room and board for two-year college chemistry faculty members is covered by the NSF grant while the institute participants are expected to pay their own travel expenses.

Applicants will be accepted on a "rolling admissions" basis.

# 147th Two-Year College Chemistry Conference

Florida Community College at Jacksonville, Kent Campus  
3939 Roosevelt Boulevard  
Jacksonville, Florida 32205  
November 20 - 21, 1998

## **Preliminary Program** (Titles, Times subject to change)

**Program Theme: Topics, Technology, Textbooks, Teachers — the Four T's of Chemistry**

### **Friday, November 20, 1998**

- 9:00 - 9:30 Registration, Continental Breakfast, Exhibits
- 9:30 - 9:45 Welcome, Duane Dumbleton, President, Kent Campus  
Florida Community College at Jacksonville
- 9:45 - 10:45 Advisory Board Meeting (all are invited to attend)
- 10:45 - 11:00 Break, Exhibits
- 11:00 - 11:45 Ash Recycling  
Jan McKendree, Research Chemist, Duo Engineering Environmental Recycling
- 12:00 - 1:00 Lunch — box lunches can be ordered on preregistration form, or lunch on your own
- 1:00 - 1:45 Keynote Address  
Paul Walter, President, American Chemical Society
- 1:45 - 2:00 Break, Exhibits
- 2:00 - 4:00 Workshops:  
2:00 - 2:30 Common Course Numbering  
2:30 - 3:00 Laboratory Safety  
3:00 - 4:00 Computer/Technology Lab
- or Field Trip  
2:00 - 4:00 Millennium Specialty Chemicals  
World's largest processor of turpentine to produce terpene-based aroma  
chemicals for the flavor and fragrance industry
- 6:00 - 7:00 Pre-banquet Wine & Cheese Mixer at historic Winterbourne House overlooking the  
St. Johns River
- 7:00 - 9:00 Banquet — Winterbourne House on the St. Johns  
Speaker: Dr. Paul Walter, President, American Chemical Society

**Saturday, November 21, 1998**

- 8:30 - 9:15      Registration, Continental Breakfast, Exhibits
- 9:15 - 10:00     Textbooks  
Ken Whitten, Chairman, General Chemistry, University of Georgia
- 10:00 - 10:45    Clean Shower  
Robert Black, President and CEO, Automation, Inc.
- 10:45 - 11:00    Break, Exhibits
- 11:00 - 11:45    Flavor Chemistry  
Russell Rouseff, Research Chemist, University of Florida Citrus Research Center
- 11:45 - 1:00     Lunch — Kountry Katerers Barbeque
- 1:15 - 2:00      Chemistry Lab Demonstrations  
Ralph Burns, Chemistry Professor, St. Louis Community College, Meramec
- 2:00 - 2:45      NMR Imaging  
David Himmelsbach, Research Chemist, USDA ARS Russell Research Center
- 2:45 - 3:00      Break, Exhibits
- 3:00 - 3:45      Flight 800 Disaster  
Randolph Mahoney, Airline Pilot, U.S. Airways, Retired
- 3:45 - 4:00      Final Remarks

**Come to Jacksonville in November**

Jacksonville, home of the NFL Jacksonville Jaguars, is central to Florida's First Coast which includes the nearby historic cities of Fernandina Beach and St. Augustine. Located on the St. Johns River, the city is just minutes away from family beaches, world class golf courses, and sport fishing. Jacksonville Zoo offers a variety of exhibits including Great Apes of the World. At the heart of the "River City by the Sea" is the Jacksonville Landing and Southbank Riverwalk which offer festival shopping and fine dining.

Jacksonville is the gateway to other popular Florida attractions including Silver Springs, Disney Theme Parks, Sea World, and Busch Gardens. Its moderate winter temperatures offer a welcome respite to "snow birds" seeking the sun.
