IV. ADJOURNMENT

146TH Two-Year College Chemistry Conference
General Membership Meeting
Bismarck State College
Bismarck, North Dakota
September 18, 1998

The meeting was called to order by Carol White at 11:35 A.M.
In the absence of Tom Gruber, Michaelleen Lee assumed the responsibility of Recording Secretary.

I. Introductions

The following were present and introduced themselves:
COCTYC Members: Carol White, Chair; Dick Jones, Immediate Past Chair/Membership Chair; John Kenkel, Past Chair; Michaelleen Lee, Industrial Sponsors Chair. Other attendees introduced themselves and stated their school affiliation.

II. Minutes from the 144th Conference, Tarrant County Junior College

The minutes of the 144th Conference are on page 2 of the 146th Agenda Book. The minutes were approved as written.

Carol White explained that **2YC₃** stands for The **Two-Year College Chemistry Consortium** and is the organization run by the executive committee of the **Committee on Chemistry in the Two-Year College, COCTYC**, a committee of the Division of Chemical Education of the American Chemical Society. The mission of **2YC₃** is to conduct four conferences annually. This is the 146th **2YC₃** Conference. Carol pointed out that information about COCTYC members can be found on the front cover of the Newsletter and on the front page of the Agenda Book. Chair Emeriti are listed on page 49.

III. Reports

A. Tarrant County Junior College Conference, March 27-28, 1998

Carol White presented the report on the Tarrant County Junior College meeting for Tom Gruber. The meeting was held on March 27-28, 1998. She stated that the theme of the conference was "Chemistry in the New Millennium: The Future in the Classroom, Research, and Technology." The conference was well attended. The conference program contained many presentations that emphasized current research in superconducting polymers, the interaction of two-year colleges with high schools, distance learning, the viewpoint of industry on the role of the two-year college, and the use of the web in chemical education. The banquet was held at the Fort Worth Museum of Science and History.

B. Treasurer's Report

John Kenkel presented the budget report for Jeff Cramer. The report is printed on pages 13-14 of the 146th Agenda Book. John stated that the organization is doing well financially. However, it should be noted that extensive travel expenses are forthcoming.

C. College Sponsor's Report

John also gave the College Sponsors report. A list of College Sponsors can be found on page 15 of the Agenda Book. The report shows 113 sponsors. He encouraged everyone whose college was not already a sponsor to become one. The College Sponsor form is on page 35 of the Agenda Book. Members present were asked to check the information listed for their college and let a member of COCTYC know of any needed corrections.

D. Membership

Dick Jones pointed out the membership report on page 36 of the Agenda Book. As of September 27, there are 865 total members with 455 renewals. He also noted that 85 members have taken the advantage of the opportunity to join both the Division of Chemical Education and 2YC₃. He mentioned that this offer is for members of 2YC₃ that are not members of the Division of Chemical Education. A form on page 4 of the current newsletter can be used to take advantage of this offer.

E. Industrial Sponsors

Michael Lee reported that there are 18 Industrial Sponsors as shown on page 39 of the Agenda Book. She encouraged everyone to help recruit new Sponsors among companies and businesses with whom they do business. It is important to approach marketing managers especially with regard to publishing companies. She suggested that you start with your local rep and work up the chain of command to the marketing manager. She noted that Simon & Schuster is not a separate sponsor as it is the paying company for Prentice Hall.

F. Future Meeting Sites

John Kenkel reported on future sites. The conference calendar for the next several years can be found on page 40 with more detailed information about each conference on the pages that follow. The 159th Conference is the last one that has been officially scheduled. The 17th Biennial will be held at Western Washington University. John reminded everyone that the next conference will be the 147th Conference to be held at Florida Community College in Jacksonville, Florida on November 20-21, 1998.

G. Newsletter/Web Page

Carol White gave the Newsletter/Web Page report. She encouraged everyone to visit the 2YC₃ web site and to take advantage of the links and services it offers. The address is listed in the Newsletter. She invited those present to send to Jay Bardole materials that they would like to see in the newsletter.

H. DivCHED

Carol also reported on DivCHED activities. Ann Cartwright is 2YC₃'s liaison to DivCHED. Carol then gave details on how to become a member of DivCHED. She urged all 2YC₃ members that are not members of DivCHED to become either full or affiliate members of the Division. She reminded everyone that affiliate members do have voting privileges.

IV. Announcements and New Business

A. 15th Biennial and 16th Biennials

Dick Jones gave a report on the 15th Biennial which was held at the University of Waterloo, Waterloo, Canada. The meeting dates were August 9-13, 1998. He passed out brochures containing information on the 16th Biennial which will be held in Ann Arbor, Michigan in the summer of 2000. The University of Michigan is the host institution. The brochure contains the deadlines for submitting symposia ideas. Dick pointed out that members need not limited themselves to 2YC₃ issues when considering the organization of a symposium. Dick is the Two-Year Program Chair for the this Biennial.

B. Summer Instrumentation Workshops

Dick reported on the NSF funded Summer Instrumentation Workshop that has been conducted at Sinclair Community College as well as other affiliated colleges for the past few years. As NSF has shifted its funding emphasis to teacher education, 1999 will be the last summer that these workshops will be conducted.

C. Other

Dennis Mathiason addressed the group and pointed out the benefits of membership in the American Chemical Society. He urged those present that are not members to join.

IV. Introduction of late arrivals - No late arrivals

V. Adjournment

The meeting was adjourned at 12:15 P.M.

Respectfully submitted, Tom Gruber, Chair-elect

146TH Two-Year College Chemistry Conference
COCTYC Meeting
Bismarck State College
Bismarck, North Dakota
September 19, 1998

Attendance

Members: Dick Jones, John Kenkel, Michaelleen Lee, Carol White

Guests: Frank Koch

Call to Order

As a quorum was not present, official COCTYC business was not conducted.

Frank Koch gave a report on the 146th Conference. He regretfully informed the members that attendance was lower than anticipated due to the Northwest Airline Pilot strike.

Dick, John, Michaelleen, and Carol then generated a list of topics that the Committee should address via e-mail before the Jacksonville meeting in November. Any business conducted in this manner will be reported at the Jacksonville COCTYC meeting and will at that time be officially recorded in the minutes.

Respectfully submitted, Tom Gruber, Chair-elect

Come to Los Angeles in March

Los Angeles is the entertainment capitol of the world. We have the Universal Studios, Magic Mountain, the original Disneyland, Knott's Berry Park, Raging Waters, Hollywood Boulevard, Mann's Chinese Theatre, and the Long Beach Aquarium to entertain you. We have the Los Angeles Lakers, Los Angeles Clippers, Los Angeles Kings, Anaheim Ducks, UCLA Bruins, and USC Trojans for the sports enthusiasts. We have Rodeo Drive in Beverly Hills for the exclusive shoppers, many shopping centers for the average shoppers, and downtown shopping for bargain shoppers. We have the beaches for sunning and the mountains for skiing. We have the museums for arts and exhibits. We have the Dorothy Chandler Pavilion, the Music Center, and the Ahmanson Theatre for cultural events. We have the best restaurants of every national and international cuisine in the world.
